AN INCREASE IS SHOWN

IN HARRIS COUNTY ASSESSMENTS OVER LAST YEAR.

This Year's Total Assessments Will Fool Up Approximately \$34,000,000-Decrease in Railroad Assessments.

Mr. L. B. N. Schnelder, tax assessor footed up \$31,746,000; on which the taxes

ent year will not the county an additional revenue over last year of \$20,000.

There is an increased assessment over last year in every letter, the heaviest gains being in B. H and S. The increase is partly due to the work done by the board of equalisation, and it applies practically to all lines of praperty except the railroads, the total assessments of which are \$30,000.

Daving his first term as

equalization, and it applies practically is all lines of property except the railroads, the total assessments of which are \$30,000 less than last year.

During his first term as assessor Mr. Schnehler has made a number of innevations and improvements in the method of handling assessments, which are very much appreciated by the general public and especially by the real estate men of the city. For the six block brooks showing every block and each addition to the city. Mr. Schnetder has improvised an index on the front side of case cover, which emines to internation in regard to the location of property to be a critising at a glauce, in stead of by the somewhat tedions method to merly in vegue. This improvement is regarded as the most important of the server eval changes which have been introduced into the office since Mr. Schneider took charge,
